Product Disclosure Statement

What your policy is made up of

Your policy is made up of these documents:

- this Product Disclosure Statement and Policy Document (PDS). The PDS is designed to provide information about the policy, to help you decide if it's what you need.
- your Policy Schedule. Your policy schedule sets out who is insured, the cover(s) selected, the period of insurance, the premium payable, sums insured, limits of liability, excesses and other important information;
- any Supplementary PDS that applies; and
- any other policy documents we specify at or prior to entry into your insurance contract or when required or permitted by law.

This PDS (together with any amendments, updates or endorsements that we give you in writing which may vary it when required or permitted by law) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

Updates to the PDS

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so.

We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy of any changes free of charge by contacting us using the contact details on the back of this PDS.

General Advice Warning

It is up to you to choose the cover you need. Because we and our representatives do not advise you on whether this policy is specifically appropriate for your objectives, financial situation or needs, you should carefully read this document before deciding.

Welcome

Allianz Home Insurance offers cover for some of your most expensive and precious possessions: your home buildings and the contents inside them. Depending on the cover options you choose, your policy can cover you for financial loss if your home buildings are damaged or destroyed, or if your contents are damaged, stolen or lost.

Here are some of the important ways Allianz Home Insurance can help cover you.

Cover for the unexpected

We offer cover for out of the ordinary but devastating events such as fire, storm and burglary.

Optional cover

We offer a range of optional covers that may be available to you to suit your needs, including motor burnout, accidental damage cover for your home buildings and/or contents, domestic workers' compensation and portable contents cover.

24/7 emergency claims lodgment

When you need to make a claim, we are there for you with a 24 hour emergency claims lodgment line – helping you get back on track again as soon as possible.

Your cover options

We offer the following types of home insurance cover (eligibility criteria may apply):

Legal liability cover

If you take buildings and/or contents cover you'll also automatically receive Legal Liability cover.

This section can cover you if you are found liable to pay compensation to someone because you have accidentally injured them or damaged their property during the period of insurance.

Go to page 52.

What you're covered for

Whilst there are some things we don't cover (see the exclusions within each insured event and General Exclusions on pages 55 to 59), we provide cover for damage to your insured property as a result of any of these insured events:

Domestic workers' compensation

The optional covers you select will be shown on your policy schedule.

What does it mean if I take the Accidental Damage cover option?

This option can cover you against damage caused by sudden, unforeseen and unintended events not just the specified insured events.

Here are some examples of the sort of mishaps you'll be covered for if you take this option:

If you have Buildings cover

You accidentally smash a hole in the wall when you move some furniture.

Your kids draw all over your walls.

If you have Contents cover

You spill red wine on the new white carpet or lounge.

We'll also extend cover for your contents anywhere in Australia for up to 90 continuous days (not just at the insured address).

This is a high level snapshot only. For information on what is covered and what is not covered – and the full policy terms, conditions, limits, exclusions and excesses that apply – please read the whole of this PDS, your policy schedule and any other documents that make up your policy.

Understanding your policy

Which cover do I need?

Buildings and/or **Contents** cover — what's the difference?

Here's a brief outline of the difference between Buildings and Contents cover, to help you decide the cover you need.

Buildings cover	Contents cover
<p>Designed to cover the physical structures that make up your home, like the house itself, garage, sheds, swimming pools and decks.</p> <p>Generally for customers who own a freehold home – like a house, townhouse, terrace or semi-detached dwelling.</p> <p>See pages 28 to 29 for a detailed list of what we define as buildings.</p>	<p>Designed to cover items at your home – from furniture, appliances and white goods to personal belongings like computers, clothing and shoes. It also covers your carpets and window furnishings.</p> <p>See pages 36 to 37 for a detailed list of what we define as contents.</p>

How Buildings and Contents insurance work together

If you take out both Buildings and Contents insurance here's how they can work together if the unexpected occurs:

Your house burns down. You could lose all your buildings, and everything in them. With adequate sums insured under Buildings and Contents covers, you could rebuild and replace your insured belongings.

A fire damages your kitchen. You could repair or rebuild built-in damaged parts of your kitchen, such as benchtops, with Buildings cover. Then you could replace damaged items like blinds and kitchenware under your Contents cover.

A thief smashes your window, breaks the locks and steals your belongings. You can fix the window and locks through your Buildings cover and replace the items that were stolen under your Contents cover.

You will only have to pay the applicable excess(es) once if your buildings and contents are damaged by the same insured event.

Do you rent your home out to tenants?

If you're renting all of your home out to tenants, cover is not available under a Allianz Home Insurance policy.

Our Landlord Insurance can cover your investment property and any contents you provide for your tenants' use. It can even cover malicious damage by tenants. Cover is not available for these types of losses under our Home Insurance.

If you rent out part of your home while you live at the same address please contact us on the below details so we can determine if you are eligible for this home and contents insurance product.

For more information please call us on 13 1000.

The basics

The better you understand your policy, the easier it will be if you ever have to claim.

Who your policy covers

Your policy provides cover (where applicable) for anyone named in the policy schedule as an insured and:

- your legal spouse or de facto (where you and your partner are living together in a genuine domestic relationship), or
- any member of your own family, and your spouse's or de facto's family who permanently live with you.

If there is more than one insured listed on the policy, then anything that any of the insureds says, does, or omits to advise to us of applies to and affects the rights of all of the insureds.

When the policy starts and ends

The effective and expiry dates of your policy are shown on your policy schedule. We agree this period when you apply for your policy. In some circumstances the policy can end earlier than the expiry date e.g. cancellation by you or us. For more details, please see Cancellation rights under the policy on page 74.

72-hour exclusion period

To manage the risk of people taking out insurance on their uninsured home buildings or contents or increasing cover on their underinsured home buildings or contents when events such as cyclones, floods or bushfires are predicted, a 72-hour exclusion period applies to some insured events.

We do not provide cover (where the type of cover you have under the policy provides it) for any loss of or damage to your property caused by cyclone, flood, flood water combined with run-off and/or rainwater, grassfires and bushfires, during the first **72 hours** after you first take out or increase the cover under the policy.

However, you will be covered from the time you take out or increase the cover under your policy for loss or damage to your buildings and/or contents caused by other insured events.

The 72 hour exclusion period won't apply:

- to renewals,
- when (on the same day the policy starts), you:
 - enter into a contract to purchase the insured address, or
 - move into the insured address as a tenant; or
- if the policy replaces another similar insurance policy that covered the same buildings, contents or both, without a break in cover. However, if there is an increase in the sum (or sums) insured between the new policy and the one it replaces, we won't cover the increased amount for the first **72 hours** of the policy.

14-day cooling off period

A 14-day cooling off period applies to this insurance. So, if you decide you don't want this policy, you can cancel it up to 14-days from:

- the date we issue a new policy to you, or
- the start date of a renewed policy.

We'll refund your premium in full, as long as you:

- haven't made a claim, or
- don't need to make a claim.

We may deduct government taxes or duties from your refund.

In addition to your cooling off period, you can cancel the policy at any time by calling us. See Cancellation rights under the policy on page 74 for details.

How much you're covered for

It's up to you to decide the sums insured, and the type and level of cover that you want to take out. People generally want enough insurance to cover the property's estimated replacement value. If you don't have enough cover, you could end up having to cover some of the costs yourself.

Remember, we will only pay up to the amount of your loss or the sum insured, whichever is the lesser - so you should also be careful not to over insure.

For example, if you insure your contents for \$100K, and you have a total loss but the replacement value of the contents is only \$50K – we will only pay up to \$50K (the actual value of your contents if they are lost or damaged – and we won't refund any premium you paid for the time we have insured any higher amount nominated by you).

Need help choosing the right amount of cover?

To help you estimate the replacement value of your buildings and/or contents, visit allianz.com.au and use our Home Buildings and/or Home Contents replacement calculators.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

You'll need to consider everything in your home to determine how much Contents cover you need. But remember, no matter what you decide to cover your total contents for, maximum dollar limits apply to some items in your home that you cannot change. The most you can claim for that item will therefore be this item limit – even if your item is worth more.

Your insurance premium

The cost of your insurance is called a 'premium'. Your premium will depend on a number of factors, and can change each year when you renew your policy or if you vary the insurance. Minimum premiums may apply. Your premium for each period of insurance will be shown on your policy schedule.

We'll calculate your premium based on a number of factors such as:

- **Your risk profile.** We work this out using a number of factors such as:
 - where you live
 - the type of property you're insuring
 - the amount and type of cover you require
 - any other people also insured under the policy
 - the relevant claims history of the people being insured
 - the likelihood of a claim being made on your policy.
- **Any discounts that may apply.**
- **Any compulsory government charges** such as Stamp Duty and GST.
- **Fire Services Levy** if they apply to the State or Territory where your home is located.
- **Any other charges** we tell you of.
- **The excess you choose or which we apply.**

Renewal premium

If you renew the policy you need to be aware that the premium we charge you is likely to change, even if there has been no change in the circumstances which were applicable to the policy when you first took it out or subsequently renewed it. This is because other factors may affect the premium, including:

- the cost of claims we have paid and that we expect to pay in the future;
- new data we have collected on the various factors we use to determine your premium;
- our expenses of doing business; and
- any other commercial considerations.

When calculating the premium that we charge you on renewal we also consider what your premium was previously, and we may limit movements up or down.

No Claim Bonus

We give you a No Claim Bonus (NCB) to reward you for having a good claims history. When you first take out a policy with us, we calculate your NCB based on your home insurance claims history in the previous 5 years.

After each claim-free year, the NCB applied to your renewal premium will be increased by 10%, to a maximum of 30%. However, for every claim you make in a year, the NCB applied to your renewal premium will be reduced by 10% - to a minimum of 0%.

Note that Portable Contents claims and claims paid under the additional benefit 'Food or medicine spoilage' when the cause of the loss is declared a natural disaster by the government, do not impact your NCB.

The NCB applied to your base premium is shown on your policy schedule, and is subject to the following.

What else you need to know about premiums

- Minimum premiums may apply.
- Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached.
- If you are eligible for more than one discount or entitlement, we also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts or entitlements.
- Discounts may not be applied to the premium for flood or optional covers such as portable contents (where applicable). Discounts do not apply to the optional cover for Domestic Workers Compensation.

Did you know?

You can choose to pay your premium by instalments – for example, by monthly direct debits from your bank account or credit card. We'll let you know the total amount payable when you apply for cover – and we'll confirm this in your policy schedule.

 If an instalment is not paid we will let you know and we will try to deduct the overdue amount along with your next regular payment on the next instalment due date. If the next attempt to deduct the outstanding amount and the next instalment amount fails, we will cancel your policy for non-payment. We will send you a notice advising you of cancellation and cancellation will be effective 14 days from the date on this notice. So it's important that you pay your instalments on time. If you can't, you should get in touch with us immediately.

Your excess

Unless we state otherwise in the PDS, you will need to pay the applicable excess(es) as a contribution to your claim.

So for example, if you have an excess of \$1,000 and make a claim for \$3,000, we'll pay the balance of \$2,000. We will only pay the claim if the claim amount is more than the excess that you have agreed to pay. If we settle your claim by making a cash payment to you, we will deduct the excess from the amount we pay to you. In other circumstances, you may need to pay the excess as a contribution to the repair or replacement.

When you apply for cover, you will be asked to choose an excess amount from the available options. This can be made up of a basic excess, and a voluntary excess. Generally, the higher your excess amount, the lower your premium will be. In some cases, we may impose an additional compulsory excess which reflects our risk and underwriting criteria. You cannot vary or remove this excess.

The agreed excess you need to pay for each cover type is shown on your policy schedule, or referred to in this PDS.

An additional imposed excess amount of \$250 applies for each claim for loss or damage caused by an earthquake or tsunami, or a series of earthquakes or tsunamis, during any period of 48 consecutive hours.

Did you know?

We have seen an increase in fires involving lithium battery devices being charged in the home that occur suddenly and are difficult to extinguish. These include scooters, ebikes and power and gardening tools.

If you regularly charge batteries in your home for your devices, bikes or scooters you can do the following to protect you and your family and help minimise the chances of a fire:

- don't charge these batteries and devices inside the home or near an exit of your building
- don't charge overnight or whilst occupants are sleeping
- disconnect or power off once the battery is finished charging
- know the early warning signs of a battery fire - popping and hissing noises, smoke, battery swelling, an unusual smell
- if a fire or the early warning signs occur, get you and your family away safely immediately and call 000
- only use the original charger and cables that came with the batteries / device.

Changes to your details – what you have to tell us as soon as reasonably possible

You must tell us as soon as reasonably possible if, during the period of insurance:

- you start using any part of your home buildings for business, trade or professional purposes (except for a home office)
- you remove or stop using any security devices that were specifically required by us
- your building is in the course of construction or there are any alterations, additions, demolition, repairs to, or decorations of the buildings costing more than \$75,000
- you commence renting out your home to tenants
- your home building has not been lived in (or will not be lived in) for more than 60 consecutive days.

 If you don't provide this information as soon as reasonably possible, we may refuse or reduce a claim under the policy to the extent we are prejudiced by the delay or the non-disclosure.

You can also contact us if you want to vary your policy during the period of insurance for any other reason, for example to increase your sums insured or to take out additional cover options that may be available.

When we receive this information, we may:

- propose changes to the terms and conditions of your policy
- propose to charge you a higher premium
- cancel your policy if there is a change and we can't reach an agreement with you on altered terms and conditions or premium; or we are no longer prepared to insure you because there has been a material change to the risk
- decide not to offer to renew your policy.

When your home buildings are not being lived in.

We consider your home buildings not lived in when no one is living there. We consider the home buildings lived in when you or someone nominated by you have been living in the home buildings (eating and sleeping) for at least two consecutive nights. You may not be covered under this policy if your home buildings are not lived in for more than 60 consecutive days unless you have our prior agreement in writing.

We may (acting reasonably) ask you to prove that the home buildings are lived in, in the event of a claim.

Be prepared for a claim

When you buy your policy, it makes sense to set yourself up so that in the event you need to make a claim the process will go as smoothly as possible.

For example, for a Contents claim for a specific item, it helps to be able to prove that you owned the item – and what it was worth. So keep track of your receipts – either by filing them or logging them on an online app.

It's also a good idea to take photos of important contents and features of your home buildings, so you can get them repaired or replaced more easily if they're damaged or stolen.

What you're covered for under each of the insured events

No matter which cover you choose, Allianz provides cover for a range of insured events.

In return for paying or agreeing to pay us your premium, the policy covers loss or damage to your buildings and/or contents caused by one or more of the following insured events that take place during the period of insurance. Your policy schedule will show if you have cover for buildings, contents or both.

In addition to the General Exclusions on pages 55 to 59 there are some additional exclusions that apply specifically to certain insured events. Make sure you check these carefully in the following section so that you understand what you are covered for and what is excluded.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred to the amount we would have authorised had you asked us first.

Buildings > What's covered?

Buildings insurance is designed to cover the physical structures and fixtures that make up your home buildings: from the house itself, to your garage, fences and paved driveways – even built-in appliances like hot water systems, air-conditioners and more.

See the list below for a detailed description of what is a Building as well as what's not.

Did you know?

The replacement value of your buildings is not the same as the market value – you do not need to include the value of the land when calculating the buildings replacement value.

What if? You need to claim on portable contents cover

You need to provide evidence of the value and ownership of both listed and unlisted portable contents.

Legal Liability Cover

As part of your Buildings or Contents cover, we include Legal Liability cover. This can cover you if you are found liable for paying compensation following an accident.

What's covered?

We will cover your legal liability for payment of compensation relating to death, bodily injury or illness, and/or physical loss of or damage to property, which is caused by an accident (or series of accidents) attributable to one source or originating cause.

This cover applies for accidents that occur:

- during the period of insurance, and
- anywhere in Australia, or elsewhere in the world, when you are temporarily outside Australia – provided you normally reside in Australia.

In order to be sure that you are covered under this policy you should always contact us for approval before you incur expenses you wish to claim. If you do not, we will pay for expenses incurred to the amount we would have authorised had you asked us first.

If you have Buildings cover only

We cover any legal liability you may incur as owner of the buildings.

If you have Contents cover only

We will not cover any legal liability you may incur as owner of the buildings.

This condition does not apply if the buildings are defined as a lot and your contents are insured by this policy.

What we pay?

We'll pay up to \$20 million for a liability arising out of any one accident (or series of accidents) attributable to one source or originating cause. In addition we'll also pay all legal costs and expenses you incur with our consent, for which you are legally liable, plus the cost of any lawyers we appoint.

If you have another Buildings or Contents policy with us, we'll reduce the amount we pay by the amount paid out by the other cover for the same liability, loss, occurrence or incidence.

Liability cover – when your buildings are a total loss

If your buildings are a total loss, we will continue liability cover for any amount you have to pay as owner or occupier of the buildings for up to six months from the date your buildings were destroyed.

This cover will stop immediately if:

- construction commences at the insured address
- you sell the land, or
- you take out a new buildings insurance policy.

What if?

You're legally liable for damage.

If you're legally liable for damages to a third party, we may be able to help. Firstly, you must not admit liability or promise to pay anything to do with the claim.

If you do, we may reduce or refuse your claim to the extent we are prejudiced by your admission or promise.

If a third party tries to sue you for damages, we can take over and defend you. How we run any negotiations, proceedings and claim settlements is at our discretion. We will act reasonably having regard to your interests, and will keep you informed if you ask us to.

If you need to make a claim for legal liability, you can write and ask us to agree that you're covered for the claim. See Legal Liability Cover on page 52.

What if?

You have to make a total loss claim.

If we pay your claim for the total sum insured for any part of the policy, or enough to pay for the total loss or destruction of all your insured property, that part of the policy will end.

For example, if thieves steal your laptop that you've insured for \$1,500 as a listed portable content item and we replace it, your new laptop won't be insured as a listed portable content item for the remaining period of insurance under the policy, unless you add it as a listed item and pay an additional premium.

If we accept your claim and pay you the total sum insured for your property, we'll deduct any unpaid premium from the amount we pay you.

For example, if you pay your annual premium in monthly instalments, we'll deduct the remaining premium for the rest of the year from your claim amount. That's because the premium is for a full year of cover – so even if you claim just a couple of months in, you still need to pay for the whole year.

If we replace or rebuild the property, you need to pay us the balance of any premium that you owe for that year.

Your responsibilities

During the claims process you need to take reasonable steps to co-operate with us, this may include;

- taking reasonable steps to minimise any further loss or damage to your property or contents
- giving us access to your home at reasonable times and frequency so that a repairer or any other representative we choose can assess loss or damage to your home and contents
- providing us with information we reasonably request (which may include being interviewed by our representatives)
- providing us with documents we reasonably request to assist with the assessment of your claim – for example, bank or credit card statements, phone records, proof of ownership, notices or court documents, close up photographs, valuations, proof of purchase (including sales receipts).

If you do not take reasonable steps to co-operate with us we may not be able to progress or approve your claim, to the extent we are prejudiced by your failure to cooperate.

Our rights of recovery

We may be entitled to recover any claim that we've paid from the person or entity that caused the loss, damage or liability. We can decide to take legal action in your name to do so.

We have full discretion in the way we conduct, settle or defend any claim made in your name.

If we end up recovering more than we paid to you on your behalf, we'll pay you the balance.

We will act reasonably having regard to your interests and will keep you informed if you ask us to do so.

How we settle your claims

Buildings claims

If we agree to cover your claim for loss of or damage to your buildings, we will pay the reasonable cost of repairing or rebuilding the damaged part of your buildings to the same condition as when it was new.

At our discretion (acting reasonably), we may:

- arrange for repairers, builders or suppliers to repair or rebuild your home, or
- pay you the reasonable cost of repairing or rebuilding your home in cash or cash equivalent.

When it is not possible to use original materials during the repair or rebuilding process, we will make best efforts to use the nearest available equivalent to the original materials.

Unless we have agreed in writing (acting reasonably), repair or rebuilding of your buildings must commence within six months of the loss or damage. If not, we will not be liable for any costs beyond the repair or rebuilding costs as at the date the loss or damage occurred. We will extend the six month period to the extent we caused or contributed to the delay in repairing or rebuilding your buildings.

What if you don't want to repair or rebuild?

If we have chosen to repair or rebuild your damaged buildings, but you don't want to repair or rebuild, we will pay you either:

- the reasonable cost to repair or rebuild your damaged buildings, less an amount for depreciation (based on the age and condition of the buildings), or
- the difference between the value of the land and buildings at the insured address immediately before and after the loss or damage occurred.

If the buildings are totally destroyed by the insured event and we agree to rebuild your home buildings, rebuilding may be carried out on another site provided that we agree in writing.

Special items

These items have additional settlement conditions:

- Dividing fences, gates and free-standing walls: the most we'll pay is half the cost of repairing or rebuilding, after taking into account depreciation, based on its age and condition.
- Fixed wall, floor and ceiling coverings: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. When repairing or replacing the fixed wall, floor or ceiling coverings, we will make best efforts to use the nearest available equivalent to the original materials or items.
- Roof materials: repair or replacement is limited to the physical area where the loss or damage occurred. When repairing or replacing roof materials, we will make best efforts to use the nearest available equivalent to the original materials.

The most we will pay

The most we'll pay for damage to your buildings is the buildings sum insured, less any excess that applies (plus any additional benefits that may apply – see below).

Additional benefits

We may also pay some additional benefits to help with other costs related to rebuilding your home building, including debris removal, surveyors' fees and more.

See Buildings cover – additional benefits on pages 30 - 33 for details.

Your cover after a claim

Partial loss

If your buildings are not totally destroyed by the insured event and your buildings sum insured is only partially used up in the repair or rebuilding of your damaged buildings, your buildings sum insured will remain as it was before the claim was made.

Total loss

If your buildings are a total loss or the total buildings sum insured is exhausted, then the buildings cover under your policy will end. However, your Legal Liability cover as owner of the property will continue until the earliest of:

- six months from the date the insured event caused the damage,
- when rebuilding starts at the site,
- when you sell the land, or
- when you take out a new insurance policy at the site.

If you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the buildings cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Contents and portable contents claims

If we agree to cover your claim for loss of or damage to your contents or portable contents, at our discretion (acting reasonably), we may:

- repair or replace the item (or items)
- reimburse you in cash equivalent, store credit or cash, (at our discretion) for the reasonable cost of repair or replacement of the item (or items), or
- reimburse you up to the amount of the sum insured of the item (or items).

Where we have elected to settle your claim by cash reimbursement, we consider the reasonable cost of repair or replacement to be the retail price of the item as if it were new. We will not pay the extra cost of purchasing an extended warranty on any item.

If we elect to repair or replace the item (or items) and you request payment in the form of cash instead, then we may, at our discretion (acting reasonably), decide whether to agree to your request. If we do agree, the amount of the cash settlement will be reduced by any discount that would be available to us if we were to repair or replace the item (or items). We will not apply the discount to the cash settlement if there is a reasonable and valid reason provided to us as to why a cash settlement would be more appropriate in the circumstances than repairing or replacing the item (or items) e.g. your urgent need to replace or repair the item sooner than the time we can repair or replace it.

For claims with multiple items, we may pay the claim using a combination of the above options.

Special items

These items have additional settlement conditions:

- Carpet, loose floor coverings, curtains or internal blinds: repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred. When repairing or replacing the carpet, loose floor coverings, curtains or internal blinds, we will make best efforts to use the nearest available equivalent to the original materials or items.
- Any part of a pair, set or collection: we will not pay more than the value of the part which is lost or damaged. No allowance will be made for any reduction in the value of the remaining part or parts of the pair, set or collection.
- Mobile phones and tablets: if a mobile phone or tablet is damaged we may choose to replace the item (or items) with a refurbished model of the damaged phone or tablet if it is available. We may, at our option, decide to keep the damaged mobile phone.

The most we will pay

The most we'll pay for loss or damage to your contents or portable contents is the relevant sum insured, less any excess that applies.

Additional benefits

We may also pay some additional benefits to help with other costs related to your claim, including debris removal, emergency contents storage and cover while you're moving house (contents cover at your old and new address).

See **Contents cover – additional benefits** on pages 40 - 43 for details.

Your cover after a claim

Partial loss

If your contents are not totally destroyed by the insured event, and your sum insured is not exhausted by the claim, your cover will continue as follows:

General contents	Listed portable contents	Unlisted portable contents
Your sum insured will remain as it was before the claim was made.	If the listed portable content item is only damaged and we repair the item, then your sum insured for that item will remain as it was before the claim was made.	If the limit of unlisted portable contents cover is not totally exhausted then your sum insured will remain as it was before the claim was made.

Total loss or contents sum insured exhausted

If your contents are a total loss or the total applicable contents sum insured is exhausted then the applicable contents cover under your policy will end unless you apply for additional cover and agree to pay us any additional premium we may require.

General contents	Listed portable contents	Unlisted portable contents
Your general contents cover under the policy will come to an end unless you apply for additional cover and agree to pay us any additional premium we may require.	If any item listed as a listed portable content item is totally destroyed or lost and we pay you for the item or replace the item it will be removed from your policy. You will need to relist any replacement item and agree to pay us any additional premium we may require if you want the replacement item covered as a listed portable content item.	If the total sum insured you have selected for all unlisted portable contents per claim is exhausted then your cover for unlisted portable contents will end unless you apply for additional cover and agree to pay us any additional premium we may require.

If the contents cover under your policy comes to an end mid-term, and you pay your premium:

- Annually in full – there will be no premium refund for any time left in the period of insurance for the applicable contents cover.
- In instalments – any remaining instalments for that period of insurance will be deducted from your claim settlement.

Other important information

Here are some other important things you should know about your policy, how we treat your personal information and what to do if you have a complaint.

Your responsibilities – Your Duty to take reasonable care not to make a misrepresentation

You must take reasonable care not to make a misrepresentation to us. This responsibility applies until we issue you with a policy for the first time or agree to renew, extend, vary/change, or reinstate your policy.

You must answer our questions honestly, accurately and to the best of your knowledge. A misrepresentation includes a statement that is false, partially false, or which does not fairly reflect the truth. It is not misrepresentation if you do not answer a question or if your answer is obviously incomplete or irrelevant to the question asked.

The responsibility to take reasonable care not to make a misrepresentation applies to everyone who will be insured under the policy. If you are answering questions on behalf of anyone, we will treat your answers or representations as theirs.

Whether or not you have taken reasonable care not to make a misrepresentation is to be determined having regard to all relevant circumstances, including the type of insurance, who it is intended to be sold to, whether you are represented by a broker, your particular characteristics and circumstances we are aware of.

If you do not meet the above Duty, we may reject or not fully pay your claim and/or cancel your policy. If the misrepresentation was deliberate or reckless, this is an act of fraud, and we may treat your policy as if it never existed.

Financial Claims Scheme

In the unlikely event Allianz Australia Insurance Limited were to become insolvent and could not meet its obligations under the policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. More information can be obtained from <http://www.apra.gov.au>.

Terrorism and Cyclone Insurance Act 2003

We have determined that the policy (or part of it) is a policy to which the Terrorism and Cyclone Insurance Act 2003 applies.

We may elect to reinsure part or all of our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, we may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by us and administrative costs associated with the legislation) is reflected in the premium charged to you. As with any other part of the premium, it is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

For further information contact Allianz.

Cancellation rights under the policy

When you can cancel this policy

You may cancel this policy at any time by telephoning us.

When we can cancel this policy

We have the right to cancel this policy in certain circumstances, including where:

- you failed to comply with your Duty to take reasonable care not to make a misrepresentation,
- you have failed to comply with a provision of your policy, including a term relating to payment of premium,
- you have made a fraudulent claim under your policy or under some other contract of insurance that provides cover during the same period of time that the policy covers you, or
- where we are otherwise permitted to do so by law.

If you pay your premium by instalments and an instalment becomes overdue, we will cancel in accordance with the process set out in 'Your insurance premium', see page 13.

If you pay annually and you have not paid your premium or we cancel the policy for any other reason, we'll give you at least 3 business days' notice in writing before the cancellation date, either:

- in person to you or your agent
- electronically to the email address you've given us where you have agreed to receive notices electronically
- by post to the address you've given us.

Cancellation costs

If your policy is cancelled, we may deduct a pro rata proportion of the premium for time on risk, plus all or part of any government taxes, levies or duties.

If you have made a total loss claim under this policy and we have agreed to the claim, we will not return any premium if the amount claimed exceeds the premium you have paid.

Renewal procedure

Each year on renewal, we'll generally send a renewal invitation and let you know the renewal cost.

For Buildings and Contents covers, we'll automatically increase the cover amount (the sum(s) insured), to help it keep pace with inflation and rising costs and helps to reduce the risk that you will be underinsured. We recommend that you check the new amounts to make sure they continue to cover your full replacement values and to make sure your insurance still meets your needs. If you don't want us to increase the sum(s) insured, just let us know.

We will not adjust the sums insured for:

- Specified Contents
- Portable contents.

You need to review the value of these items to make sure your insurance still meets your needs.

If you pay your premium by direct debit, we'll automatically renew the policy and continue to debit your nominated bank account or credit card unless you tell us to stop.

If you pay your premium annually, you must pay the full amount by the due date shown on your renewal invitation in order for cover to continue.

GST Notice

Any dollar amounts shown in this PDS and in your policy schedule include GST (where it applies), unless otherwise stated. This includes your sum insured / limit of indemnity, other benefits we will provide limits, optional cover limits and other limits shown in the policy.

Businesses registered for GST

If you are registered for GST, or register for GST after commencement of your policy, you need to tell us:

- your Australian Business Number (ABN), and
- the percentage of the GST paid on any premiums, which you have claimed or are entitled to claim as an Input Tax Credit (ITC).

Claims settlements – amounts we will pay

Your GST registration status may have an impact on the amount that we will pay you to settle a claim.

If you are entitled to an ITC for the GST incurred on costs which you are liable for, relevant to your claim (such as services to repair a damaged item insured under the policy), we will reduce any payment to you by that ITC entitlement. Any claim settlement payments we make to third parties will also be reduced by their ITC entitlement.

This is the case – even where we've stated the settlement amount will include GST.

This includes amounts for services or replacement goods not authorised by us, for example, if you repair, rebuild or replace your insured property without our authority.

The policy does not provide any cover for any GST that you may be liable for as a result of understating or failing to provide your ITC entitlement, nor any fine, penalty or charge for incorrectly accounting for GST on claims settlements received.

Governing Law

Your policy is governed by the law of the Australian state or territory where your insured property is usually kept or is located.

Failure to comply with policy conditions

If you do not comply with the policy terms and conditions, we may reduce what we pay you by an amount to take into account any disadvantage we suffer as a result of your non-compliance.
